LOT OVERVIEW

Arabica from the Batur slopes at 1,200 to 1,600 m, grown in gardens intercropped with citrus and processed at cooperative wet mills. Sweet, mild, and gently citric with a lighter body than Sumatra, certified Organic to EU and NOP rules and Fairtrade. The crop is allocated in half container lots, with Grade 1 taken for single origin work and the lower grades quoted for blends.

Figures are typical for the current crop and are confirmed lot by lot on the contract. The signed grading sheet and cupping score travel with every shipment.
