LOT OVERVIEW

Screen 17 up washed Ijen green roasted to Agtron whole bean 46 to 58, where the clean nutty profile turns into caramel and dark chocolate with the sweetness espresso needs. Whole bean or ground to espresso and moka, private label or unbranded, with the green grade named on the contract alongside the roast target.

Figures are typical for the current crop and are confirmed lot by lot on the contract. The signed grading sheet and cupping score travel with every shipment.
