LOT OVERVIEW

Garut and Temanggung robusta roasted at Agtron whole bean 42 to 52, one step back from our Sumatran profile so a blend gains body and crema without a burnt edge. Rainforest Alliance and 4C certified, ground to espresso, moka, or vending on request, on green from whichever grade the programme is costed at.

Figures are typical for the current crop and are confirmed lot by lot on the contract. The signed grading sheet and cupping score travel with every shipment.
