LOT OVERVIEW

Our volume robusta roasted to the level espresso blenders and vending operators specify for thick crema and a bitter chocolate base. Whole bean or ground to espresso and vending grind, packed in 1 kg valve bags or 10 kg bulk foil. The green underneath is your choice: Grade 1 or 2 for a premium blend component, 4a and 4b for high volume programmes.

Figures are typical for the current crop and are confirmed lot by lot on the contract. The signed grading sheet and cupping score travel with every shipment.
